*** Effective January 1, 2015 Water Ranch Lake became Catch-and-Release for bass and sunfish, catch-and-keep for catfish and trout. Single barbless hooks are required.**

Stocking dates are NOT a guarantee: schedule may change due to weather, site access, poor or questionable water quality, golden algae (fish kill), availability of fish, and schedules of fish suppliers.

[H] = Trout stocked by Department (Page Springs) Hatchery.
